

VILMORIN-MIKADO, SPONSOR OF THE IHC 2022

A Franco-Japanese seed company specialized in creating, producing and marketing vegetable seeds since 1743, [Vilmorin-Mikado](https://www.vilmorinmikado.com) is one of the sponsors of the 31st International Horticultural Congress (IHC 2022), which will be held from August 14 to 20, 2022 at the Congress Center in Angers, France.

Vilmorin-Mikado supports the 31st edition of the IHC

As an economic player in Angers and the surrounding region, with an international business and almost 300 years of experience in variety creation, Vilmorin-Mikado is a sponsor for this exceptional global event: IHC 2022. For Vilmorin-Mikado, supporting the IHC 2022 means, first and foremost, supporting research, in line with its innovative approach, and promoting plant-related professions—particularly that of seed company—by helping to spread knowledge about them.

For the IHC 2022, Vilmorin-Mikado will participate in the exhibition scheduled from August 15 to 19, 2022 and will organize, as one of the local technical tours, an exclusive tour of its plant in France, focusing on vegetable seed production.

The IHC at a glance

The International Horticultural Congress (IHC) is the most important scientific event organized every four years since 1959 in the fields related to horticulture* under the auspices of the ISHS (International Society for Horticultural Science). The 31st edition of the IHC will be held in France, from August 14 to 20, 2022 at the Congress Center in Angers.
